

*I*n over 18,000 communities across the U.S., more than 75,000 Susan G. Komen for the Cure volunteers work to help fund breast cancer education, screening and treatment projects for those who need it most. Over the past five years, Komen for the Cure Affiliates - working in concert with local organizations - have awarded more than \$93 million in needs-based community grants. That's in addition to the many millions Komen invests each year in promising research.¹
